

Bike Shop Discount Member Check Opt Out

We will be offering a *Member Check* feature (a way to check whether a customer actually is a BCP member) to certain bike shops that give our members discounts. If a participating Membership Check bike shop asks you to prove you're a member, just tell them to enter your name into *Member Check*. This feature contains only names and zip codes, no other identifying information. Nevertheless, if you do not want your name in the database for this feature, simply send an email to BCPwebmaster@phillybikeclub.org and ask to have your name removed from the *Member Check* feature. The database is continuously updated as members join or renew, and when their memberships expire.

Note that you can still identify yourself as a BCP member by clipping the membership card from your most recent Quick Release (our monthly newsletter) and bringing it to a participating bike shop.
