### Tuesdays

**Wheeling with the President, cont.**

Showers and lots of time for a relaxed dinner with good friends. And always some adventure. There are lots of good stories shared about this ride. I have more than a few of my own adventures from this event. Ask me about them next time you see me on a ride.

**SCENIC SCHUYKILL CENTURY**

Organization of the Century is going well. This year’s event is in the capable hands of Sheryl Oleski and J.D. Mitchell. If you haven’t ridden the SSC yet, you owe it to yourself to do so. I don’t have to encourage all those who do it every year. For more information, see the article within or the web site.

**PICNIC**

Thanks to Jennifer Payton and her crew of volunteers for organizing the annual summer picnic. Several Ad Hoc ride leaders led riders out to the picnic. The salads and grilled foods were excellent. It was good to see some of you there.

### OTHER NEARBY CENTURIES

I encourage all of our members to support other nearby Clubs during their centuries. In August there is the Dog Daze, the Shore Fire and the Nockamixon. I did the Dog Daze (August 8) a few years ago and it lived up to its name. Information is available at http://brandwinebicycleclub.org/. The Shore Fire in Delaware is Saturday, August 26. Information is at http://www.whiteclaybicycleclub.org/shorefire.html. You can do a double century by combining it with the SCU Lake Nockamixon Century on Sunday, August 27. I will likely see you on this ride since their food stops are almost as good as ours. Information is available at http://www.suburbancyclists.org. Also see our Other Events column, or Events Calendar on the website for more details on these and other Clubs’ rides.

**Saturdays**

**Blue Bell Special.** No ride on August 5. Class C, up to 30 miles, 13-14 MPH average.
