WHERE: NoBA Community Workspace, 210 Bala Ave, Bala Cynwyd, PA 19004

WEBSITE for NoBA: <https://nobadistrict.com>

A physical therapist (Kira Sender, DPT) will present to us “spring training” exercises, to

- maximize physical fitness and stamina, and minimize fatigue
- prevent pain and injuries

A bike mechanic will present spring cleaning & tune-up essentials for our bikes, to

- Optimize performance and energy-efficiency
- Optimize comfort for longer rides

Our bike mechanic will also explain how certain clothing accessories can be helpful during the fickle weather of early spring, when it’s cool in the morning, but warm in the afternoon.

REFRESHMENTS will be served. There will be time for socializing and refreshments from 6:30 to ~7:00. There will be a brief intermission for refreshments between the presentations.

PARKING: There is a municipal parking garage across the street from the NoBA meeting space on Bala Ave. **Parking in the garage is FREE after 6:00pm.**
